

## Arrival Directions 319/337 Huntington

Unloading Location: North Lot → Parking Location: Columbus Garage → Check-In Location: 337 Huntington (The Fairwoods) Lobby

1. If you are arriving by car to campus you will first need to proceed your Unloading Location at North Lot. Please use [this link](#) as a location for driving directions.
2. At North Lot, you will unload your belongings from the car into your one moving hamper. Move support will be present in the lot to aid with unloading, and you will need to leave a Government Issued ID in exchange for your hamper.
3. Should you require a place to park after unloading, the driver of your vehicle will be able to park with your parking pass in Columbus Garage. Please use [this link](#) as a location for driving directions. To enter Columbus garage, the driver can take a ticket at entry, and will need to present the day specific parking pass and scan code at exit. Links to the day specific parking passes and codes can be found below. There will be no oversized, over height, or overnight parking.
4. While your vehicle is being parked, you can proceed with your hamper to your check-in location, 337 Huntington (The Fairwoods) Lobby, to check in with Residential Life Staff. If you are driving yourself, the move support will hold your hamper until your return after parking.
5. After checking in, proceed to your assigned residence hall room, unload your hamper, and then return your hamper to North Lot.
6. Throughout the move-in process, students will be permitted no more than two guests to assist with bringing belongings into your room, and your guests are asked to stay no longer than 2 hours. Please note, masks will be required for all fully vaccinated and unvaccinated students, faculty, staff, visitors, and vendors indoors. Outside of official Fall move-in days/times (8/29-9/5 8:30am-6pm), the guest policy will revert to only Northeastern students as guests, and only 3 at a time.
7. In accordance with the current COVID-19 guidelines, all students, regardless of vaccination status, will need to be tested within 24 hours of their arrival and on a weekly basis thereafter. All students will need to schedule a test through the [COVID-19 Test Scheduler](#) Please note: the testing center does not take walk-in appointments. You will not be allowed to enter the testing center without a proof of your appointment time. This can be provided either by using a mobile device or by a print out from the COVID-19 Test Scheduler.
