Standard and Economy Rates in traditional first year halls are designated based on room size. For more room information and building accommodations please visit the First Year University Housing webpage.

The majority of first year rooms are double, triple or quad occupancy. Students can designate interest in single rooms on their housing application and we will fill vacancies in enrollment deposit date order.

Meal Plan Required: traditional and suite style halls require at least a 12 meal plan and apartment and hotel style halls require at least a 7 meal plan for first year students, a requirement that cannot be waived.

^ Designated spaces reserved for students with classified & documented Housing Accommodations only.

All buildings and price points are subject to change. The university reserves the right to alter these designations at any time. During certain terms, First Year students could be assigned to any university residence hall, even those without the First Year designation. All rates are charged semesterly.

***All First Year Housing is Meal Plan Required**
