

## Arrival Directions: East Village (8/28 – 8/31)

**Prior to arrival all students will need to print their Cruise Ship Unloading Pass found on their Housing Online.**

Unloading Location: **St Botolph Street Curbside** → Parking Location: **Columbus Garage** → Check-in Location: **East Village Lobby**

1. If you are arriving by car to campus you will first need to proceed to your Unloading Location at St. Botolph Street Curbside. Please use [this link](#) as a location for driving directions to the start of the queue. **You must to follow these as opposed to using your own navigation or GPS system.** All drivers must queue into East Village curbside via traffic loop southbound on Gainsborough Street. No entry to this area is directly westbound beyond Gainsborough Street, as St. Botolph Street is one way for move-in.

2. At St. Botolph Street Curbside, you will need to **present your printed Cruise Ship Unloading Pass** to the move support staff who will unload your belongings from the car into your one moving hamper. Move support will deliver your hamper of belongings to your assigned room listed on your Cruise Ship Unloading Pass.
3. Once your belongings are removed from your hamper in your room, move support will bring your hamper back to the unloading station.
4. Should you require a place to park after unloading, the driver of your vehicle will be able to park with your parking pass in Columbus Garage. Please use [this link](#) as a location for driving directions. To enter Columbus Garage, the driver can take a ticket at entry, and will need to present the day specific parking pass and scan code at exit. Links to the day specific parking passes and codes can be found below. **There will be no oversized, over height (over 6'8" including roof racks/storage), or overnight parking.**
5. While your vehicle is being parked, you can proceed to your check-in location, East Village Lobby, to check in with Residential Life Staff.

Parking Codes/Pass by Day:
