

Arrival Directions: Willis Hall (9/4 & 9/5)

Unloading Location: **Leon Street Curbside** → Parking Location: **West Village E Garage** (Overflow in **Columbus Garage**) → Check-In Location: **Willis Hall Lobby**

1. If you are arriving by car to campus you will first need to proceed to your Unloading Location at Leon Street Curbside. Please use [this link](#) as a location for driving directions.
2. At Leon Street Curbside, you will unload your belongings from the car into one to two moving hampers. Two hamper stations are located on Leon Street, one near each end, so you may use any available space on Leon St for unloading. You will need to leave a Government Issued ID in exchange for your hampers at the hamper station.
3. Move support will be present on Leon St to aid with unloading, in order to keep Leon St free of standing vehicles.
4. Should you require a place to park after unloading, the driver of your vehicle will be able to park with your parking pass in the West Village E Parking Garage at the end of Leon St, while spaces remain available. All complimentary parking ends no later than 11pm, and in the West Village E Garage in particular, this is the time all pedestrian and vehicle entry and exit points close and lock. To enter West Village E Garage, the driver can take a ticket at entry, and will need to present the day specific parking pass and scan code at exit. Links to the day specific parking passes and codes can be found below. **There will be no oversized, over height (over 6'8" including roof racks/storage), or overnight parking**
5. Overflow parking is available in the Columbus Garage. Please use [this link](#) as a location for driving directions. To enter Columbus Garage, the driver can take a ticket at entry, and will need to present the day specific parking pass and scan code at exit. Links to the day specific parking passes and codes can be found below. **There will be no oversized, over height (over 6'8" including roof racks/storage), or overnight parking.**
6. While your vehicle is being parked, you can proceed with your hamper to your check-in location, Willis Hall Lobby, to check in with Residential Life Staff. If you are driving yourself, the move support will hold your hamper until your return after parking.
7. After checking in, proceed to your assigned residence hall room, unload your hamper, and then return your hamper to Leon Street Curbside.

Parking Codes/Pass by Day:

- [Columbus](#) and [WVE Garage Parking Pass 9/4](#)
- [Columbus](#) and [WVE Garage Parking Pass 9/5](#)
