

Display your HuskyMail gmail account within the myNortheastern portal

1. Select Authorize

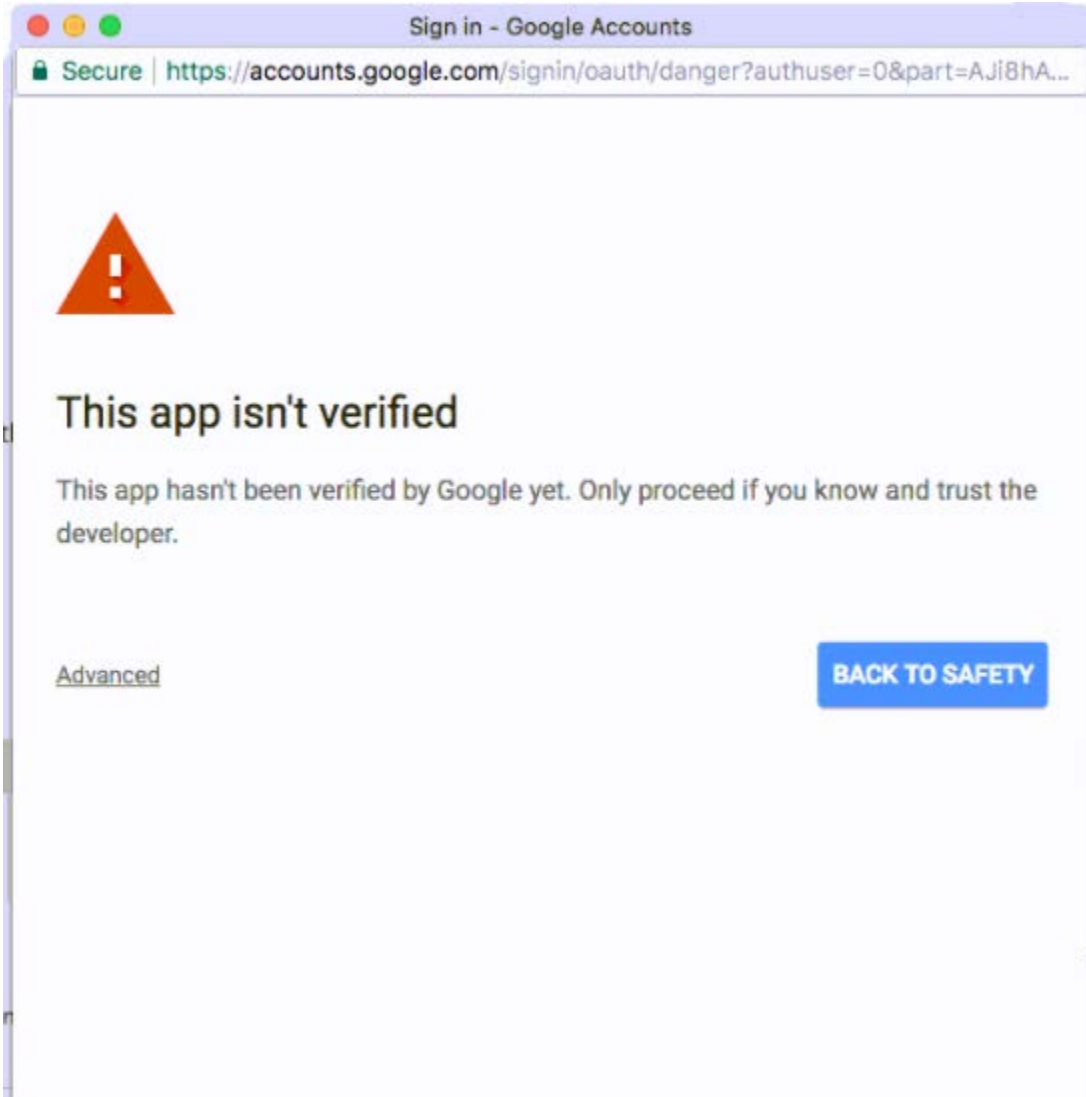

2. Enter your HuskyMail gmail account, i.e. _____@husky.neu.edu in the Email entry and select Next

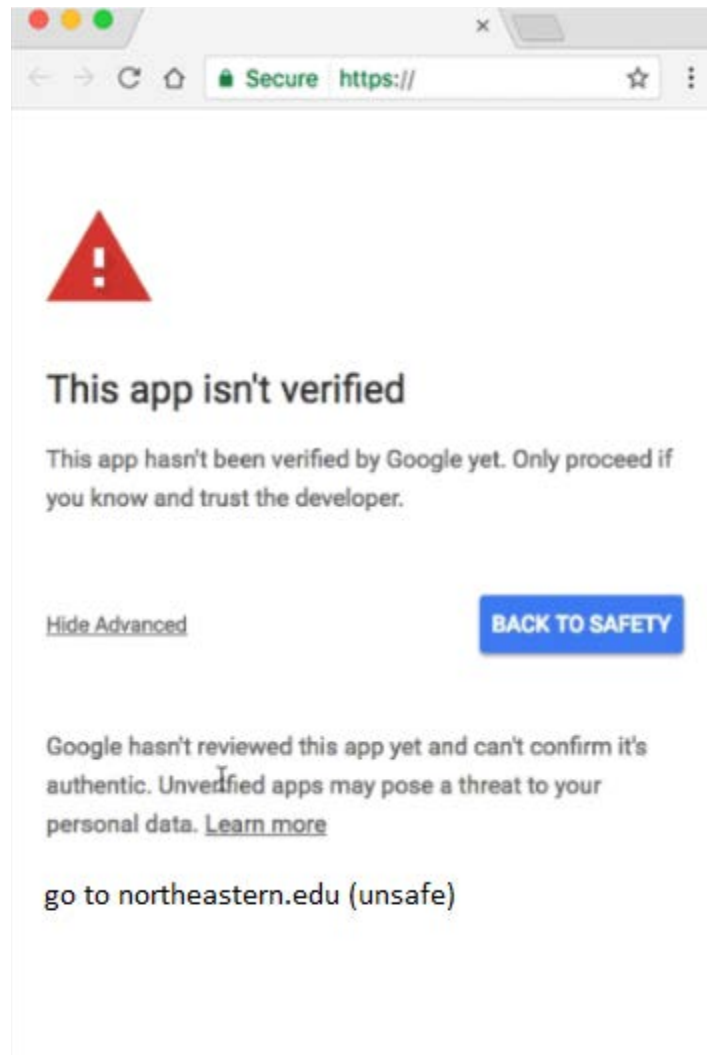

The image shows a screenshot of a web browser window. The title bar reads "Sign in - Google Accounts - Google Chrome". The address bar shows a secure connection to "https://accounts.google.com/signin/oauth/identifier?client_id=723889090477-0s...". The main content area features the Google logo, followed by the text "Sign in" and "to continue to northeastern.edu". Below this is a text input field labeled "Email or phone" with a vertical cursor. There are links for "Forgot email?" and "More options". A blue "NEXT" button is positioned in the bottom right corner of the sign-in area.

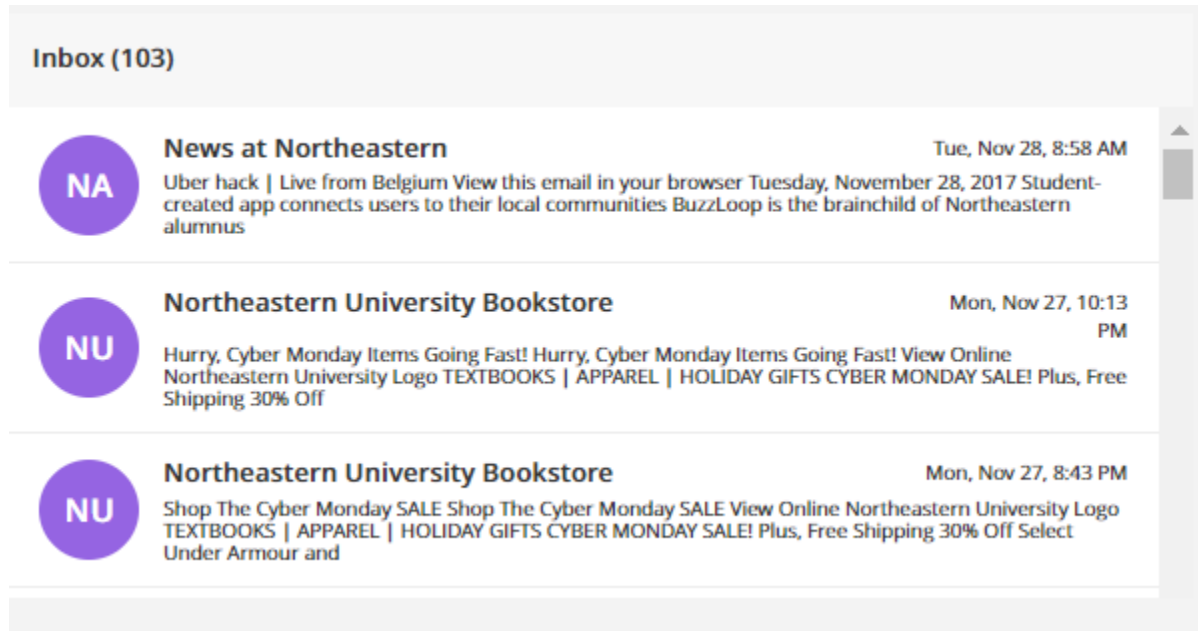

3. Continue the process until you see the page below. On this page select Advanced

4. From this display, click on the link for northeastern.edu at the bottom of the page

5. When you return to the portal, you'll see your husky gmail inbox messages displayed (see graphic below). Click on the subject line to go into gmail to see the entire message.

Note: You can log into gmail directly outside of the portal using the link <https://accounts.google.com/Login>
