This year, in celebration of the annual expansion of the copyright public domain, CLIC will host a fun-filled night of music and trivia.

Join Professor Woodrow Hartzog, our master of ceremonies, and cheer for your favorite team (or sign up your own team!) in an exciting game of trivia inspired by art, technology, popular culture and the copyright public domain.

Mix, mingle and meet the CLIC community. Learn more about our work and how you can get involved. We can’t wait to see you there!

To RSVP and/or enter your team, visit clictrivianight.eventbrite.com.
