

Summer 2019 Take Home Exams and Final Papers

Take-Home Exams are not in the Exemplify software that you may have downloaded. The Exemplify software is for In-Class Exams only. The ExamSoft website is where you will go to download and upload Take-Home Exams and Papers.

1. Go to www.examsoft.com/nusl.
2. To login, use your 9-digit NUID as your StudentID and the password that was emailed to you.
3. Log in and click the "Courses" tab at the top of the page. You should see a list of courses that you have been enrolled in. Click the appropriate class.
4. Get your 5 digit Exam Number on the ExamSoft website.
5. Write your exam and/or paper in a word processing program (or Excel if specified).
6. The website will not populate your exam number. On the front page of your answers, you must include:
 - Your 5-digit exam number
 - Name of the course/Name of your instructor
 - Quarter & Year
 - In addition, you should number the pages in a footer.
7. When you have completed your exam answer (or paper), return to the ExamSoft website to upload your exam.

You will be using the ExamSoft website for take home exams and papers in the following classes:
