Non-U.S. Citizens

Please check with the Irish consulate in your region for the most updated Ireland visa requirements and processes. The information listed below is only a guide and does not constitute legal advice.

General Visa Information for International Students

While Ireland has visa agreements with various countries besides the U.S. (which mean that students of certain nationalities will not need an entry visa before traveling to Ireland), we recommend that all international students contact their local Irish consulate/embassy regarding their visa requirements.

Students can check the Irish Naturalization and Immigration Service website (www.inis.gov.ie) for a list of countries that are not visa-required, and for additional information regarding the requirements for a student visa.

Depending on nationality, some students are required to apply for a visa before they travel to Ireland, namely an Irish student visa from the Irish immigration authorities. Students who wish to travel outside of Ireland and then re-enter Ireland during their studies in Ireland will require a re-entry visa. Please see further details on page 4.

Important Reminder: The application process is different country to country. Students can check the Irish Naturalization and Immigration Service website (www.inis.gov.ie) for a list of countries that are not visa-required, and for additional information regarding the requirements for a student visa.

Students can apply for a study visa up to 3 months before their date of travel to Ireland. Processing times can vary. However, students can generally expect a decision within 8 weeks from the date your application is lodged at the Visa Office/Embassy/Consulate. Students must apply for the visa online on the Irish Naturalization and Immigration Service website (www.inis.gov.ie). Once students have completed the online application, they must follow the instructions on the summary application form that is created by the online system which will contain information on where students should submit their supporting documentation. Original documents must be submitted, which include non-English documents with full translations, and if a visa has ever been refused in the past, the student must provide the original letter.

Students must obtain a single entry Irish student visa before entering Ireland. Thereafter, all students, regardless of nationality, who intend to stay in Ireland for a period longer than three months must register their presence in Ireland with An Garda Síochána. By registering with the Gardai, students can legally live, study, and participate in Service-Learning in Ireland until the end of the N.U.*in* Program.

Students must register with the Gardai as soon as possible after their arrival to Ireland. In order to register students must attend the Garda National Immigration Bureau (GNIB) Office, located in the city center near O'Connell Bridge (13-14 Burgh Quay, Dublin 2). A new appointment system has been set up to facilitate the registration process. In order to make an appointment students must go online to the following link <http://www.inis.gov.ie/en/INIS/Pages/new-immigration-appointment-system>.

Appointments are offered in a series of 1-hour slots each day. Students must select the date and time that suits and make the appointment. We recommend that students go online and make this appointment in advance of travelling to Ireland.

If possible, please choose an appointment time in the following blocks so as to not conflict with class times:

- Monday, September 4 or 11, 2:15pm and later
- Tuesday, September 5 or 12, 12:15pm - 1:15pm or 5:15pm and later
- Wednesday, September 6 or 13, 1:15pm and later
- Thursday, September 7 or 14, 5:15pm and later

Students unable to find appointment in the times allocated above can choose from the following. This may mean missing a class and professors must be informed beforehand.

- September 4 to 7 – Any time
- September 11 to 14 – Any time
- September 18 to 21 – Any time
- September 25 to 28 – Any time

Once the appointment has been made, students will receive a confirmation email. The student must bring a copy of this email with them on the day of their appointment. The email will also include a link to the list of documents the student must bring to his/her appointment and will include the following:

- (i) Passport;
- (ii) Welcome letter from the university partner (as outlined above);
- (iii) Proof of health insurance (as above);
- (iv) Evidence of sufficient funds to support them for the duration of their stay (see above);
- (v) Payment fee of €300. Payment can be made by a specific bank giro form (which can be obtained at all registration offices) or by credit/debit card; and
- (vi) Proof of address in Ireland.

Students should arrive to the appointment 10 minutes early; if the student is late they may not be seen. Once students have successfully registered they will receive a GNIB registration card which they should bring with them if travelling outside Ireland during the duration of their studies as this will be required by airport immigration officials upon re-entry.

Students should be prepared to present items one to four above at immigration control at the airport in Ireland and should be able to also show evidence of a return ticket to their home country.

Multi-Entry Student Visa

After registration with the GNIB, students should apply for a multi-entry student visa. Upon receiving their multi-entry visa, students can leave and re-enter Ireland as many times as they like.

Travel to Northern Ireland & United Kingdom

N.U.*in* students travel to Northern Ireland as part of a weekend excursion.

You cannot travel to Northern Ireland using an Irish visa. You need a visa issued by the United Kingdom (<https://www.gov.uk/apply-uk-visa>) as Northern Ireland is part of the United Kingdom.

If you travel from the Republic of Ireland to Northern Ireland and then wish to return to the Republic, you must have a Re-entry Visa (<http://www.inis.gov.ie/en/INIS/Pages/Re-Entry%20Visas> - explained below) or have already been issued with a multi-entry visa.

Leaving & returning to Ireland

If you plan to leave Ireland for a short period and then come back again, you must apply for a Re-entry Visa.

You must hold a valid Certificate of Registration (<http://www.inis.gov.ie/en/INIS/Pages/about-registration-system> - also called a 'GNIB card') to apply for a Re-entry Visa.

If you leave without a Re-entry Visa, you will not be allowed back into the country. You will have to apply again for a full visa.

Students may apply for a multi re-entry visa once they have registered with the GNIB by registered post or via the online re-entry visa appoints service. However, it is recommended that students apply via registered post. Postal applications are normally processed within 10 working days. Students should not leave Ireland without a re-entry visa for the duration of their studies. If they do so they will need to apply for another entry visa to return to Ireland and this will take up to 8 weeks.

Applications made by registered post can be sent to the following address:

Re-Entry Visa Processing Office
Irish Naturalisation and Immigration Service (INIS)
Department of Justice & Equality
13-14 Burgh Quay
Dublin 2.

The application forms can be downloaded from the INIS website at the link below.
<http://www.inis.gov.ie/en/INIS/reentry-visa-form.pdf/Files/reentry-visa-form.pdf>

Applications cost €100 and the following supporting documents are required:

- (i) A valid passport (stamped by immigration officials/GNIB)
- (ii) Application fee – paid by way of postal order or bank draft only made payable to the Department of Justice and Equality.
- (iii) GNIB registration card
- (iv) 2 color passport sized photographs not more than 6 months old with the student's name printed clearly on the back.

Please note: Students are responsible for obtaining a valid visa or entry documents if applicable prior to the program start date. If they cannot obtain a valid visa or entry documents if applicable in time, then please refer to the N.U.*in* Withdrawal Policy and contact the N.U.*in* office to discuss next steps.
