Last Chance to Rate Your Apartment!!
There has been an increasing concern among the Northeastern community about the safety and security of rental housing units that many college students are leasing in Mission Hill.
Northeastern’s Student Government Association (SGA) has created an opportunity for students to share feedback about their current off-campus housing. Please take a few minutes and fill out the survey NOW:

Off Campus Student Services Advisory Board Meeting

The Off Campus Student Services Advisory Board is made up of Northeastern Students who have an interest in influencing the program and service offerings of Off Campus Student Services. Last semester we held two very successful meetings, and hope to continue the trend this semester. Don’t miss out this time around. The first meeting will be held Wednesday, January 23rd during activities period from 12:00 to 1:00pm in room 340, Curry Student Center. Come with ideas and questions you face in your daily life and Off Campus Student Services will get the answers!

City-Wide Off Campus Housing Fair

Along with Northeastern’s Apartment Hunting Fair, check out Boston’s city-wide off campus Housing Fair on Wednesday, February 6th from 3:00 to 6:00pm at Boston University. Talk to realtors from all over the Boston area, and learn your rights as a tenant before you sign a lease. Meet with a panel of current off campus students from different schools to learn helpful tips for your move off campus. For more information, check out www.bu.edu/offcampus

Wanna Be a Resident Assistant?

Looking for a Job?
The Resident Assistant is arguably one of the most profound and coveted student leadership positions on campus. Individuals in this role gain experience in leadership, crisis intervention, conflict mediation, team dynamics, organization, and event planning — skills any potential employer looks for and desires. The position is stimulating and rewarding and those who rise to the challenge will not regret it. The question is can you make the cut? Applications are due January 11, 2008. Visit www.cs.neu.edu to find out more.
