November Around Town

Wrapping Up Our Fall Educated Renter Workshops

The final Fall Workshops are **Cooking 101** (11/7) and **Street Smarts** (11/14). These are sure to be exciting as well as informative and we invite all off campus students to participate. Our previous workshops have worked out well and we hope to see some new faces involved in the future! Details below...

**Sign up by visiting the Programs and Events section at our website:**

Last month’s **Hop Off Stop Off** was a wonderful event. 1000 cups of warm coffee and hot chocolate along with 800 thermal mugs were distributed to students and staff on their way to class and co-op. Thankfully the rain held off and all of our volunteers worked hard to give a nice surprise to our hard working students. **Volunteers from Campus Activities, Co-op Connections, Off Campus Student Services, and Student Affairs** all contributed to the overall success and excitement of the event. If you are interested in participating in our future events please stop by our office.

**Rental Re-Inspection**

**Has your apartment been inspected?**

Property owners in the city of Boston are required by law to schedule inspections in compliance with Commonwealth of Massachusetts State Sanitary codes whenever new occupants move into the unit. Property owners have 45 days from the date of the new tenancy to request a unit inspection. After this 45 day window, owners that do not have specific extensions are subject to city fines and penalties.

**Do You Have Rodent or Insect Problems?**

Owners are responsible for the extermination of pests in buildings containing two or more units. Extermination includes sealing all forms of entry, eliminating any harborage areas and food sources as well as cleaning and disinfecting all affected areas.
