

S-L Community Partner Mid-Semester Check-In - SAMPLE

Dear Community Partners,

Thank you for participating in the online community partner mid-semester check-in. We created this evaluation tool to help capture your successful and challenging experiences as partners, supervisors, and mentors to our courses and students. Your feedback will be shared with faculty members and S-LTAs where appropriate so that emerging challenges can be addressed before the end of the semester, and will also be used to improve Service-Learning at Northeastern.

Thank you,
The Service-Learning Program
