Welcome new students and families to the Northeastern community!

HUSKY HAPPENINGS will keep you current on upcoming Husky 101 Orientation online curriculum and virtual programs, as well as keep you informed on critical information and next steps, all of which will be helpful to the student and family transition. This will be a regular communication over the coming weeks, so please look forward to future email announcements showing HUSKY HAPPENINGS in the subject line.

**Online Student/Family Curriculum**

Access instructions will be forthcoming in early January 2021.

Orientation gives you a taste of your new life as a Husky. This mandatory curriculum for spring 2021 entering students (N.U.in Ireland and newly enrolled first-year and transfer students) introduces you and your family to the university, as well as the campus resources and services that will support your transition into the Northeastern community. *Though the family curriculum is optional, we do believe that an engaged family member is an informed one.* We highly encourage parent/family participation.

Husky 101 will connect you with your classmates and academic advising team, engage you in student clubs and organizations, and provide you the platforms to begin charting your Northeastern path with global, research, and experiential opportunities and programs.

A sampling of topics includes:

- Academics
- On and Off Campus Housing and Residential Life
- Campus Safety
- Health and Wellness
- Student Involvement and Engagement
- Global Opportunities
- Dining Services
- Student Financial Services and more!
