FALL INFORMATION

Move-in
Fall move-in dates are based on room assignments, and fall between August 29 – September 5. Assigned move-in dates and times will be sent to students beginning late July and continuing through early August. Along with their move-in date, students will also receive their room assignment, as well as information on how to request a date change. If possible, students should not book travel until they receive their official move-in date. Questions can be directed to Housing Services.

Welcome Week
Welcome Week programming aligns with move-in. Once the student arrives on campus, their Welcome Week experience begins and will continue through September 11. Students will engage in a combination of mandatory and optional programming that will include academic, cultural, social, and transitional activities and events. Knowing that many families will remain on campus the day of move-in and/or the following day, we’ll also provide families with the opportunity to join campus resource sessions, as well as some social offerings. Since each move-in day will bring a new group of families to campus, we’ll provide the same offerings on consecutive days. Questions can be directed to Student Orientation and Family Programs.
