Our HUSKY HAPPENINGS e-newsletter keeps new students and families current on upcoming Husky 101 Orientation virtual programs and informed on critical information and next steps, all of which will be helpful to the student and family transition. This is a bi-monthly communication, so please look forward to future email announcements showing HUSKY HAPPENINGS in the subject line.

ACTION REQUIRED REMINDERS

1. **Online Curriculum**
   - It's mandatory for all new first-year, transfer, and Veteran students to complete the Husky 101 Student Curriculum. Though the Family Orientation curriculum is optional, we highly encourage participation. Both students and families have the ability to enter their remote curriculum as many times as they like.
   - The student completion deadline is Tuesday, July 20.

   Please revisit our Husky Happenings Vol 3 for student and family access instructions.

2. **Husky 101 Guide**
   - This Husky 101 Guide details everything you need to know and accomplish before starting your first day of classes. Stay on track by completing the checklist on page 8.

   *Important:*
   - The ability to choose a meal plan, and completing the online health insurance-waiver form (if you’re already covered and eligible), will only become available at the time you receive your first semester e-bill (late-summer). Students can look forward to receiving these notifications in their myNortheastern portal. Also, if you’ve missed a deadline on any of the tasks,
continue to move forward and complete the task as soon as you can.

3. **Husky Card Photos**
   The deadline to submit your Husky Card photo passed on Friday, June 18; however, we ask if you did not meet this deadline, that you submit your photos as soon as possible and no later than Friday, July 9, to be processed in time for fall move-in. Two photos will be required to complete this process. Both photos must be saved as .jpg (not .jpeg) files. One photo is a personal photo for your ID card and one photo is to verify your identification. To upload photos, use Google Chrome to log in to the student myNortheastern portal, click “Services & Links” at the top, and then search for, or scroll to, “Husky Card Preferences.” Click the “Husky Card Preferences” link, and in the window that opens, click on the “Submit ID Photo” link. Click here for a list of required guidelines for each photo. Questions can be directed to Husky Card Services.

As a part of Husky 101 Orientation, we’re excited to invite both students and families to a virtual presentation on the health and well-being of our students, and the resources available to support them. Presenters include: University Health and Counseling Services, the Disability Resource Center, the Office of Prevention and Education at Northeastern, the We Care program, and the Office for University Equity and Compliance (Title IX).
