ACTION REQUIRED: FINAL REMINDER

**Mandatory Online Student Curriculum (First-Year, Transfer, and Veteran Students)**

**Deadline: Tuesday, July 20**

This serves as a final reminder to students who haven't already completed the Husky 101 Student Curriculum, that the deadline is quickly approaching. As communicated over recent months, it's mandatory to complete your curriculum no later than Tuesday, July 20. To fulfill your Orientation requirement, you must submit the Student Acknowledgement at the end of the course. Failure to complete your curriculum may affect your enrollment status.

Though the Family Orientation curriculum is optional, we highly encourage participation. Both students and families have the ability to enter their remote curriculum as many times as they like.

Please revisit Husky Happenings Vol. 3 for student and family access instructions.
