FAMILY RESOURCES

Family Online Curriculum  
The Family Orientation curriculum is meant to serve as an ongoing resource of information during this time of student and family transition. Topics include: Academics, Housing and Residential Life, Campus Safety, Health and Wellness, Dining Services, and Student Financial Services, among many others.

Though it’s optional, we highly encourage participation. Complete this registration form to gain access. Once you have access, you have the ability to revisit your online curriculum as many times as you’d like throughout your student’s first academic year.

Health and Wellness Presentation  
Learn how Northeastern supports the health and well-being of our community and the resources available for students and families. Presenters include: University Health and Counseling Services, the Disability Resource Center, the Office of Prevention and Education at Northeastern, the We Care program, and Office for University Equity and Compliance (Title IX). View the presentation and provide feedback and suggestions for future talks.

**COMING IN AUGUST**

Look forward to exciting **Welcome Week** and **Student Success** details in HH Vol. 7!

**Welcome Week**
Once you arrive on campus, your **Welcome Week** experience begins! You’ll engage in mandatory and optional programming that will include academic, cultural, social, and transitional activities and events. Knowing that families may remain on campus the day of move-in and/or the following day, we’ll also provide them with the opportunity to join campus resource sessions, as well as some social offerings. Since each move-in day will bring a new group of families to campus, we’ll provide the same offerings on consecutive days.

**Save The Date:** How to Optimize Your Welcome Week Experience Virtual Presentation
**Thursday, August 19, 12:00 p.m. EDT** (will be recorded)

**Student Success**
You can also look forward to learning about an innovative new model for student support that will help you navigate campus resources, with the help of **Student Success Guides. All new students will be required to complete a brief lesson prior to your arrival. Details to follow.**

Looking forward to welcoming you soon!
