Welcome to the Northeastern community! We hope this email finds you happily engaged in your cultural journey as you experience all The N.U.in Program has to offer.

In January, the Office of Student Orientation and Family Programs will be here to support you in your move to Boston, when you enter the next chapter of your Northeastern experience. Husky 101 Orientation and Welcome Week will acclimate you and your family to campus, as well as provide you with the necessary resources and tools that will successfully transition you into the student and family community.

Husky 101 Student Orientation is mandatory for all N.U.in Program students studying abroad in England, Greece, Ireland, and Italy, but optional for family members. As you and your family begin planning your arrival on campus in Boston, please use the following information.

**IMPORTANT SPRING 2022 DATES:**

**Move-in:** Tuesday, January 11 and Wednesday, January 12

- Spring move-in dates are based on room assignment. Assigned rooms, and move-in dates and times, will be sent to students by late December, along with information on how to request a move-in date change. N.U.in students who are not on the Boston campus this fall are expected to move in on one of these two official dates that intentionally align with the mandatory Husky 101 Student Orientation and Welcome Week. If at all possible, students should not book travel until they receive their official move-in date.
- Questions regarding move-in procedures can be directed to Housing Services at 617.373.2814 or housing@northeastern.edu.
Husky 101 Family Orientation & Information: Two Optional Components

1. **Online Curriculum (optional): Mid-December – April**
   An online curriculum featuring academic and campus resource information will be available for families. This curriculum will benefit all families—those who can and can’t join us on campus—and will serve as reference material throughout the spring semester. Additional information and access instructions will be sent in mid-December.

2. **On-Campus Family Orientation (optional): Wednesday, January 12 or Thursday, January 13**
   - Since each move-in day will bring new families to campus, *we’ll provide the same presentation offerings on both days. Families can select whichever day works best for their schedule. These offerings will include campus resource and academic sessions, campus tours, and Boston excursions (weather permitting).*
   - Check out a list of nearby hotels for family accommodations.
   - Keep in mind when making return travel arrangements that once Student Orientation begins, time with your student will be limited. It is likely that dinner on the evening of Thursday, January 13, will be the final time spent with your student.

Husky 101 Student Orientation: Two Mandatory Components

1. **Online Curriculum: Mid-December – Mid-January**
   Once you arrive home from your abroad experience, *you’ll be given several weeks to complete a brief online curriculum. This curriculum will introduce you to Northeastern academics, residential life, campus safety, health and wellness, dining services, and student involvement, among other resources.* Additional information, along with access instructions will be sent to you in mid-December.

2. **On-Campus Husky 101 Orientation: Thursday, January 13 through Friday, January 14**
   Your Orientation Leaders (and upper-class experts) will lead you through your mandatory programs and activities, while providing opportunities to meet N.U.in students from all international locations.

**Welcome Week: Friday, January 14 – Friday, January 21**

- Engage in programs and activities to meet new friends, explore campus and the city of Boston, get ready for the spring semester, and most importantly, have fun! You’ll also connect with and get transition tips from your N.U.in Boston classmates!

As spring arrival approaches and questions surface, please connect with us for guidance and assistance. We’ll be in contact with additional program information.

The Northeastern community is looking forward to welcoming you soon!
