Welcome to the Northeastern community! We hope you experienced a smooth transition, and are happily engaged in fall classes and campus life!

We’re reaching out to provide you with some reminders, as well as information that will be helpful as you plan your January return.

- A reminder that N.U.in Boston students **completed their mandatory Husky 101 Orientation through their online summer curriculum**, and then their Welcome Week activities during fall move-in. No further programming is required.
  - Transition resources remain available as support through this first year.
    - Students, your online curriculum will remain accessible in [Canvas at Northeastern](https://community.northeastern.edu/canvas/) through April 2022.
    - Families, your online curriculum will also remain accessible through April 2022.
    - [Campus resource presentations](https://community.northeastern.edu/campusresources/) on topics including community life, health and wellness, student engagement, and more.

- N.U.in Boston students **moving onto campus** will be assigned a **move-in date of Saturday, January 15**, since they have already fulfilled the student Orientation requirement. Assigned **move-in times** will be sent to students in mid- to late December with their **room assignment**, as well as [information on how to request a date or time change](https://community.northeastern.edu/campusresources/). The earliest date students can request is January 11. Move-in support may not be available or may be limited on any date other than the assigned one of January 15.
- N.U.in Boston students **remaining in the Westin Hotel** for the full year are able to return at any time to their assigned room.
- [Academic Calendar](https://community.northeastern.edu/academiccalendar/) for spring 2022 planning.

The Office of Student Orientation and Family Programs is here to support your successful transition into the Northeastern community. Please don’t hesitate to contact us for personal assistance and continued transition guidance.
Sincerely,

**Student Orientation and Family Programs**
