To say “Welcome to Northeastern” doesn’t quite cover the adventure you’ve begun. Some call it the experience of a lifetime, but we like to say it’s nothing short of amazing here. Your inauguration into life as a Husky begins now at Husky 101 Student and Family Orientation!

Our HUSKY HAPPENINGS e-newsletter will keep new students and families current on Husky 101 Orientation, as well as keep you informed on critical information and next
steps, all of which will be helpful to the student and family transition. This will be a bi-monthly communication, so please look forward to future email announcements showing HUSKY HAPPENINGS in the subject line. Husky Happenings is EVERYTHING Orientation!

IN THE KNOW!

Listen to this brief presentation on what you can expect during this summer’s Husky 101 Student and Family Orientation and fall transition. You can also learn more by visiting our website and viewing the Program and Communication Timeline and Frequently Asked Questions. Our website serves as a valuable platform, providing useful information on campus resources, staying connected, and much more!

ACTION REQUIRED!

Husky 101 Student and Family Orientation is a hybrid experience with two mandatory components: the online curriculum and the Boston campus experience.

Register Now for the Boston Campus Orientation!

Husky 101 Student and Family Orientation on the Boston campus is a two-day mandatory program for first-year students and a one-day, mandatory program for transfer and veteran students. Though optional, family participation is highly encouraged.

Immerse yourself in the Northeastern experience—hear from university leadership, meet new Huskies, explore campus and Boston, and attend student involvement and resource fairs.

Important To Know:

- Registration for students and families takes place in the student’s Application Status Check.
- Session dates are college/program specific. Students can only attend the date/s posted in their Application Status Check.
- Registration is on a first-come, first-served basis. Once a session reaches capacity, the session will show as being CLOSED. The registration deadline is June 1.
- Travel arrangements should not be made until the student has registered for a session.
• Arrival/departure times and accommodation information are detailed as you navigate through the registration process. More information will also follow in future volumes of Husky Happenings.

Remember, this is just the beginning to the start of something great! Take your first step by registering for the Boston campus experience, and then look forward to receiving future volumes of HUSKY HAPPENINGS. The information shared will keep you informed and on task as you prepare to join our community.

Our office is here to support you through your transition and beyond. Please don’t hesitate to reach out if we can be of any assistance.
