**ACTION REQUIRED!**

1. **Husky 101 Guide:**

   This [Husky 101 Guide](#) details EVERYTHING you need to know and accomplish before starting your first day of classes, such as uploading your Husky ID photo and submitting your [University Health Report and Immunization Requirements](#). Stay on track by completing the checklist on page 8. Completing the required tasks will make for a smooth transition in the fall!

2. **Husky 101 Student and Family Orientation** is a *hybrid* experience with two mandatory components: online curriculum and Boston campus experience.

   If you haven’t already, register for the Boston Campus Orientation!

   Husky 101 Student and Family Orientation on the Boston campus is a 2–day *mandatory program for first–year students* and a 1–day, *mandatory program for*
transfer and veteran students. Though optional, family participation is highly encouraged.

Important To Know:

- **Registration** for students and families takes place in the Application Status Check.
- Session dates are college/program-specific. **It's a required on-campus stay for first-year students.**
- **Registration is on a first-come, first-served basis.** Some sessions have reached capacity and will show as CLOSED. **Registration deadline is June 1.**
- **Travel arrangements** should not be made until the student has registered for a session.
- **Arrival and departure times** are detailed on the registration site, as well as student accommodation information. On-campus accommodations are not available for guests. Click here for a list of area hotels.

**WHAT TO EXPECT**

Access instructions will be provided in your next HUSKY HAPPENINGS e-newsletter.
