# Experiential Learning

- **Husky Treks:** In-person and virtual employer site visits
- **Research:** Connect with faculty in your first-year to start your research experiences or take advantage of REUs (Research Experiences for Undergraduates)
- **XN projects:** Work on relevant, real-world projects commissioned by employers
- **NUVIEW:** 4-week, Project based work experience for rising second-years
- **Community Engagement:** Make a difference by helping meet various societal needs
- **Internships:** Find opportunities through NUworks and other search engines
- **Leadership:** get involved; leaders can exert influence through any form of engagement
- **Co-op/Global Co-op:** This integrated experience develops learners who are highly competitive upon graduation – 93% of NU graduates are employed or enrolled in graduate school nine months after graduation (based on a multi-year average)

# NUworks

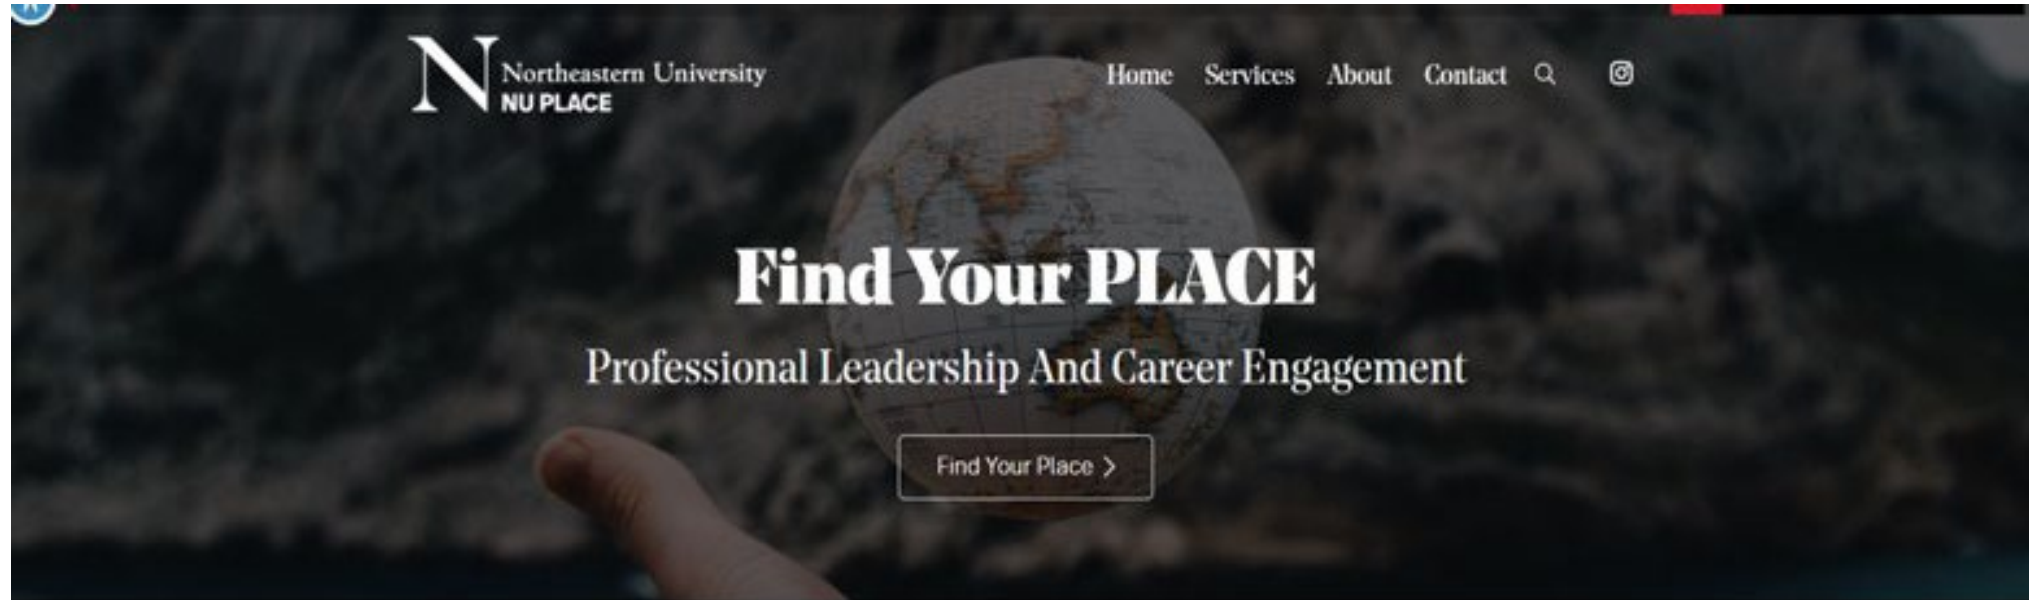

The screenshot displays the NUworks website interface. On the left is a navigation menu with the following items: Home, Jobs & Internships, Public Profile, Documents, Events, Interviews, Experiential Learning, Employers, Surveys, Resources, Calendar, and My Account. The main content area features a large banner for the mobile app with the text "Take Your Job Search Mobile! Download the Symplicity Jobs and Careers app, and search for jobs from anywhere." Below this is a section titled "People in your major are interested in" which lists three job opportunities: Citrix (Software Engineer Intern - Summer 2021 Internship), Apple, Inc (Software Engineering Internship Co-op), and Power Advocate, Inc (Software Developer Co-op). On the right side, there is a sidebar with a search bar and a list of resources including biginterview, NACE Salary Calculator, Vmock, GlassDoor, Focus, PathSource, CareerX, GoingGlobal, IZZI, and VocBio.
