Cooperative Education and Career Development

Susan Brown, Associate Director, Parent & Family Programs
Christine Hathaway, Cooperative Education and Career Development
Overview

- Co-op is an educational program in which students alternate semesters of academic study with semesters of full-time employment.

- Your student’s first co-op typically begins in the second semester of their sophomore year.
The Co-op Advantage

- Transformative Learning
- Real-World Experience
- Prepared & Self-Confident
6 months, paid, full-time

9,000 students
3,000 employers
80+ co-op coordinators
95% do at least one co-op
74% two or more co-ops
50% receive full-time offer

How do students get a co-op job?

- Must complete the co-op preparation course
- Work with their co-op coordinator to identify positions of interest
- Employers make the final hiring decision
