Title*
Discussion with Professor Farzenah

Moment*
Moments are important realizations or ideas you want to capture from your experiences.

Had an awesome conversation with Professor Farzenah after my Intercultural Communication class. We talked about the cultural dimensions to be aware of when reaching out to people from other cultural backgrounds. Being more sensitive to these cultural differences will help me relate to my classmates and prepare me for my Dialogue of Civilizations coming up this summer.

Date*
Select the date of your moment.
