Dear Students,

Please come celebrate our first five years at the South Lake Union campus. We’ve grown so much since our launch in 2013, and we haven’t done it alone. Thanks to our faculty and students we have been able to continue to build a top notch facility for all to enjoy.

Join us for delicious drinks, tasty hors d’oeuvres, live music and great prizes for the trivia contest champion! You will have the opportunity to meet faculty, alumni and high level representatives from the Boston campus.

THIS IS GOING TO BE A GREAT PARTY!
