Dear Seattle Learner,

The fall term has begun! First and foremost, welcome to all our new students. We are so excited to have you at Northeastern University’s Seattle Campus.

**Campus Reservations and Operating Hours**

To visit campus, all current Northeastern students are required to reserve a spot in advance using the reservation portal. Reservations are for the full day and you may come anytime during operating hours. Please note, you will be required to visit the check in station each time you return to campus. When making a reservation, you will select a floor and will take any open seat on that floor upon arrival. We ask that you limit your activity to the floor you have selected. Please keep the following in mind:

- If you wish to study on campus, in addition to attending class, you will need to make a reservation.
- If you are only coming to campus for class, and not to study, you do not need to make a separate reservation.
- We kindly ask that all students coming to campus for a class arrive on campus 10-15 minutes before class to complete the check-in process.

As a reminder, campus operating hours for fall term are:

**225**

- Monday – Friday 8:00 am – 10:00 pm
- Saturday 9:00 am – 9:00 pm
- Sunday 9:00 am – 5:00 pm

**401**

- Monday – Thursday 5:00 pm – 10:00 pm

**Academic Advising**

Remember that academic advising will occur virtually during the fall term. If you need to speak with your academic advisor, please email them directly. Many advisors have an appointment link that you can use to schedule a virtual appointment.

**Returning Student Goodie Bags!**

On Monday, September 14th and Tuesday, September 15th, all returning students can claim a goodie bag at the 225 Front Desk! New students received theirs during Welcome Days.

**Hot tip: 225 Elevators**

In order to keep our campus community healthy and safe, there are a couple of adaptations we have made to our elevators in 225.

1. Only 2 people in an elevator at a time
2. You now must tap your 225 access card once you enter the elevator in order to access the third and fourth floors.
The Student Hub tutorial and the Dynamic Scheduling page explain how students can submit their preferences for in-person or remote classes each week.

We look forward to another great, healthy, and joyful fall term!

Be well,

Dave
