VIEWING LAB RESULTS
How to view lab results from UHCS

- Log into your MyNEU student portal
- Click on the “Self Services” tab
- Scroll to the University Health and Counseling Services (UHCS) section and click on “MyHealthCenter”. This will open up the UHCS patient portal:
- Enter your log-in credentials using your myNortheastern username without @northeastern.edu.

Once logged-in this is where you can view your labs by selecting the “Medical Records” tab on the left.
