Learned the process of producing and developing fair-trade/sustainable coffee

- Visited a coffee co-op and a family mill
- Saw the financial security of a co-op and the independence of a family mill
- Learned about the production of coffee first-hand

ASB – RAW Tours
Art & Sustainable Coffee

- RAW Tours has been our service partner for the past five years
- Through RAW Tours, we were connected to coffee farmers, the school, and had an invaluable experience

Volunteered at National Coffee Fair and painted at primary school

- Created ground games and activities with art
- Painted over fading murals and tables with suggestions from teachers and kids
- Provided assistance to event organizers at coffee fair/ partnered with students learning English in Tarrazu
